

## Disclaimer

Information on the website is for informational purposes only. Any of the information can not be considered as a sales offer, investment proposal, financial advisory, tax, legal, accounting or any other professional advice or confirmation of the suitability of the investment, security or performance.

The website briefly summarizes the information about the investment objectives, property location, general market conditions, action plan and financial modeling results. The summary is not necessarily complete and any investors making an investment decision should not be limiting themselves only to the information provided on this website.

Before making any investment decision, investors are advised to carefully examine the investment opportunity, its related information and legal documentation. Investors are encouraged to consult their tax, legal and financial advisors before making any investment decision.

The website may contain future forecasts and forward-looking views, which cannot be regarded as firm commitments or definite future events. Forecasts and views can be influenced by known and unknown risks, uncertain situations and other factors that may impact the actual results of the investment, the implementation of action plans, and the return on investment in both negative and positive directions. Any information on company, real estate, risk, specifications, plans and financial projections may contain forward-looking views and assumptions.

Although Miratex Group makes efforts to present accurate and complete information as well as reasonable and prudent forward-looking views and assumptions, Crowdestate does not warrant the completeness, accuracy, correctness, relevance and timeliness of such information. Some of the information may be sources from the reliable third parties, but Crowdestate cannot take any responsibility for the actual correctness of information received from third parties.

Miratex Group assumes no obligations to update and publish any forward-looking information in a manner that would ensure its compliance with the actual results.

The expected average annual return presented in Miratex Group financial models has been calculated at of its publishing date and is based on the information available to Miratex Group at this time.

Past performance does not guarantee similar future returns.

All investment opportunities might be open to risk which may result in significant changes in the value of investments over time.

Investment principal and returns are not guaranteed.

Investment opportunities presented on Miratex Group's website do not fall under the supervision of any Financial Supervisory Authority and the presented information is not verified or approved by supervisory authorities.
